Subject: Uplift Increase 22/23

Dear Antonella/ Martin

Thank you for your letter of dated 9th November 21.

We are aware of the pressures that providers are facing, There is various Funding being given that we have used, and will continue to use all available sources of funding to assist providers.

The Council is going through budget setting at the moment and we will be in touch with providers with details of our proposal in due course.

If you require any further information then please feel free to contact me.

Kind Regards

Anita Scottow
