***SENT ON BEHALF OF GLEN GARROD, EXECUTIVE DIRECTOR OF ADULT CARE & COMMUNITY WELLBEING***

---

Dear Martin

Many thanks for your letter dated 9<sup>th</sup> November 2021. Apologies for the late response.

Lincolnshire County Council have recently undertaken an independent review of the Lincolnshire residential care market and the results of this review have informed the development of the cost model for residential fees.

The results of the Residential Review were shared with Residential Care providers in December 2021. We are now in the phase where providers can feedback to the Council on the results of the review and the fee rates.

Kind regards

Glen

I'm writing as it would appear we have not received a response to our letter in November from Professor Martin Green (attached).

Please forgive me if this has been responded already, and if so, please may I ask for a copy of your response as it has not reached us at this time. We fully appreciate you are currently incredibly busy however, if you could confirm that you will be responding, it would be gratefully appreciated, to ensure we can keep our members updated on the issues raised in the letter.

With kind regards  
Richard Ayres  
On behalf of Professor Martin Green
