Dear Richard

Just to confirm safe receipt of your email. A response will be sent to you as soon as possible, but this is unlikely to be this side of the New Year – apologies for the delay.

I'm writing as it would appear we have not received a response to our letter in November from Professor Martin Green (attached).

Please forgive me if this has been responded already, and if so, please may I ask for a copy of your response as it has not reached us at this time. We fully appreciate you are currently incredibly busy however, if you could confirm that you will be responding, it would be gratefully appreciated, to ensure we can keep our members updated on the issues raised in the letter.

With kind regards
Richard Ayres
